### Practical information

#### Emergency numbers

- **Emergency 112**
- **Police** 220 222 220
- **Fire** 220 222 221
- **Ambulance** 220 222 222

#### Public transport

- Tickets can be bought at kiosks, from vending ma-
  chines at tram and bus stops, and on board. They are sold for all types of public transport.
- Tickets must be validated immediately after entering a bus or tram. In the trams, ticket validating machines are located at gates leading to platforms and next to elevators.
- From the moment of validation, a ticket is valid for a selected number of journeys for the time specified on the ticket.

#### IMOVAR App

- The digital app makes it easier for you to travel around the city. It features public transport timetables and a route planner and one can purchase tickets and pay for them, also they are valid through it.

#### VETURED - Warsaw Public Bicycles

- You can be rented at over 380 stations from 1 March to 30 November. What’s more, the first 20 minutes are free.

#### Queen Mary 2

- The Maharani of the Seas is the largest cruise ship in the world and offers a range of entertainment options on board.

#### Warsaw Pass

- With the WARSAW PASS card, you get free admission to the most important tourist attractions. The card is available in three vari-
  ations: 24 hours, 48 hours or 72 hours counted from the first time you use it – you decide how much time you need. You can buy
  tickets at Warsaw Tourist Information points.

- Breaking these rules can result in a fine.

- For more information, visit the Warsaw Tourist Information website at www.warszawa.gov.pl.
